# Pallets Overview 2022

Industrial digital textile printing solutions

#### we are aeoon

All employees, partners and customers are part of the aeoon family.

#### Everything from one single source

We are your professional contact for solutions in the digital textile printing sector.

#### made in austria

All of our printers are manufactured with care, dedication and precision in Austria.

# The most important DTG pallets at a glance

aeoon technologies offers the most extensive range and the biggest pallets on the market. We offer standard sizes as well as customized sizes for a wide variety of printing requirements. All pallets can be exchanged fast and easily.

👍 Most of our pallets can be used with any aeoon printer.

## Standard Pallet

Our standard pallet is best suited for printing on tops and t-shirts but also on jackets, sweaters and many other garments.

**Compatible for our printer series:**

Compact, Kyo, Hybrid, Kyo Link

**Ideal for the following garments:**

Pallet size*:	Item No.
40x50cm; 15,7x19,7in	7-10014-000

\*You will find further pallet sizes in the table on page 4.

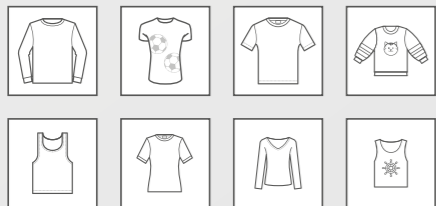

## Necklabel Pallets

Use this pallet to print both the design and the label on the inside in one print run.

**Compatible for our printer series:**

Compact, Kyo, Hybrid, Kyo Link

**Ideal for the following garments:**

Pallet size*:	Item No.
18x18cm; 7x7in	7-12001-000
25x29cm; 9,8x11,4in	7-12003-000
40x50cm; 15,7x19,7in	7-12006-000

\*You will find further neck label pallet sizes in the table on page 5.

Do you need a pallet with customized sizes? Ask our team. We are happy to help you!

[sales@aeoon.com](mailto:sales@aeoon.com)

## Double Sleeve Pallet

Printing on both sleeves of a top at the same time helps you to save time and money. This pallet is also ideal for printing on trouser legs.

**Compatible for our printer series:**

Compact, Kyo, Hybrid, Kyo Link

**Ideal for the following garments:**

Pallet size:	Item No.
10x40cm; 4x15,7in	7-10022-000

## Bag Pallets

This pallet is a must have for anyone printing fashion – and promotional bags. This offers your customers maximum freedom of design.

**Compatible for our printer series:**

Compact, Kyo, Hybrid, Kyo Link

**Ideal for the following garments:**

Pallet size*:	Item No.
33x35cm; 13x13,8in; 45°	7-13002-000
33x35cm; 13x13,8in; 90°	7-13003-000

\*You will find further bag pallet sizes in the table on page 5.
